

SYMPOSIUM FOR NEUROIMAGING ADVANCES IN PAEDIATRICS

Symposium for Neuroimaging Advances in Paediatrics (SNAP)

Friday 4th May 2012
9:15 am – 5:00 pm

Ella Latham Theatre, Ground Floor, Royal Children's Hospital,
Flemington Rd, Parkville, Victoria, Australia

This one-day neuroimaging symposium will equip you with **10 Things you should know about...** atlas construction, voxel based morphometry, fMRI and resting state data analysis, diffusion weighted imaging, perfusion imaging, and more.

The symposium will also cover applications of paediatric neuroimaging, including **10 things neuroimaging has told us about...** neurodevelopment, premature birth and childhood head injury.

\$60 students (student ID required)
\$100 MCRI and RCH employees
\$200 all other attendees
