

How-to download MARBLE

To download MARBLE you must first sign the License Agreement. To do that:

- 1) log in to your account on NITRC,
- 2) go to the MARBLE page <https://www.nitrc.org/projects/marble/>,
- 3) click the “Join the team” link located in the bottom right corner of the page (under the “Participate” heading)
- 4) follow the instructions (you must provide your email address in the text box so that we can send you the License Agreement for signatures; without your email address we only see your NITRC username and will not be able to email you the License Agreement).

Once you have signed the License Agreement and returned it to us, you will be added as a user in the members section of the MARBLE project on NITRC and you will gain access to the download link on NITRC.
